## Continued Impact in Hungary and Summer Classes

### Praises

- Inez's decision to ask Christ into her life at the SpeakOut Camp this summer.

### Prayer Requests

- Pray for the healthy delivery of Lydia Grace on August 24.

- Pray that God would provide us with a minivan. Our current vehicle will not accommodate our children and their car seats. Pray that we would see God's provision for our family's need.

Marcia (center in the picture) is one of the students that went on the mission trip Jeff led to Budapest in March. One of the girls Marcia met was Inez (on the right in the picture). Marcia invited Inez to SpeakOut, a summer English camp outreach. After our trip in March, Marcia was called to be part of the SpeakOut staff this summer.

Inez showed up the third week of the camps and was put into Marcia's tutor group. Here is what Marcia wrote at midweek of the camp:

This week has been a challenge. For all of you who went to Budapest this spring, Teó and Inez are here. Inez is my camper. PRAY for them. They are 14 and breaking my heart. They're just into lots of drinking and partying it's no good. They found them outside fairly intoxicated. Pray for them and for me as it is breaking my heart and spiritually exhausting.

What Marcia didn't know was what was going on in Inez's heart. Through the week Inez realizes her life was going no where and she wanted more out of life. Marcia continued to express love and acceptance to her and talked with her about the gospel.

**At the end of the week, Inez put her faith in Christ!** The Hungarian team in Budapest will be following her up and getting her involved in their ministry this Fall.

Many other students came to SpeakOut as a result of our mission trip in March.

Marcia (center) is one of the Orlando teenagers that went to Budapest with Jeff in March. Marcia went back to Hungary this summer and saw Inez (right) put her faith in Christ through the Speak-Out English camp outreach.

### Back to School

Jeff enjoyed getting to further his theological development this summer through Campus Crusade's Institute of Biblical Studies. During four weeks of intensive classes, Jeff took Biblical Theology: God, Bible and Holy Spirit from seminary professor Dr. Bruce Ware and a comparative worldview class.

Jeff also participated in a Biblical Interpretation and Communication course taught by Campus Crusade staff with seminary degrees. Jeff did exegetical work on Genesis 11:1-9 and then prepared a 20 minute sermonette on the passage.

The classes were held at Rollins College here in Orlando.

## Baby Update

Our third child is coming August 24.  
Her name is Lydia Grace.

Please pray for continued health  
for Anne and the safe delivery of a  
healthy baby.

## Kid's Corner

Pictures (from top left)

- Katy and Ryan playing bedtime in Katy's bed.
- Katy started first grade this week. This is her second year of home schooling.
- Ryan is a fun and happy 2 1/2 year old.
- Ryan likes his race car bed. We moved him into it this summer as we prepare for Lydia's arrival later this month.
