We want to encourage Campus Crusade students to take opportunities to help their friends and classmates in their spiritual journey. This spring, the Campus Ministry has launched a new evangelism initiative called Student2Student.

The vision of Student2Student is to see students involved with Campus Crusade trust God for the privilege of leading at least one other student to Christ this semester.

While students are being challenged to commit individually, they are not alone. Each student will be joining other students all over the nation in praying and taking new steps of faith.

Prayer and witness are the heart of Student2Student, but communication is vital to its success. Each of the students who participate will receive a weekly email updating them on the overall progress of Student2Student. They will also receive encouragement, ideas and resources for their prayer and witness.

Along with the weekly emails, the Student2Student website will help to fuel their participation. The resources are organized into four sections:

- I need to be inspired
- I need to be trained

- Just give me the tools
- Just give me a plan

On the website, students can share and read stories about how God is using Student2Student to reach lost students for Christ.

Student2Student begins by asking God for the first 25 students to come to Christ through Student2Student witnessing. When the milestone of 25 is reached, all the participants will be notified. We will celebrate, then begin to pray for 50. When that goal is reached, we will double it again, praying for 100, 200, 400, 800, and on.

Jeff is playing an active role in the Student2Student effort by helping with the website and the email. Many of the resources on the Student2Student website come from GodSquad.

Please join us in prayer that God would do immeasurably more than we can ask or imagine. We have included a prayer card so that you can pray specifically pray for God to change the lives of students.

## Kid's Corner

Ryan continues to grow and delight our family. Since Christmas, his first three teeth have popped out. It's fun to see Ryan and Katy playing together.

Both of the kids enjoyed visiting Grandma and Grandpa Bridgforth in Kansas City. We also enjoyed going to Sea-World for their Christmas programs. Katy enjoyed posing with some starfish figures (pictured above to the right).

For Christmas, we got Katy the newest concert video from Jana Alayra. Jana leads children (school age and younger) in worship songs, along with sign language. The music is great and the message is powerful. We highly recommend her. You can order her video at [JanaAlayra.com](http://JanaAlayra.com).
