Praise

God provided almost \$8,000 in end of the year gifts. This is a great blessing as we enter the new year.

Ryan will turn 5 years old on February 10.

Prayer Requests

Please pray for our family's health. The kids have been sick several times since before Thanksgiving. Please pray that God would heal us and that we would be healthy in the months ahead.

Pray for students to attend Big Break, a week long Spring Break mission trip during the month of March.

This conference helps equip students to share their faith. Many students go back to campus each year and make evangelism a lifestyle.

Jeff recently redesigned the Big Break Web site (see the back).

One thing that we look forward to each year is the opportunity to hear from you. We enjoy hearing how God is working in your lives and seeing how your children are growing. Once again we wanted to start the year by sharing a more personal look into our family's life.

Katy

The big news in Katy's life this year is being part of the musical production, Honk. It is based on the story of the Ugly Ducking. Katy has several different parts in the musical. She is part of a singing and dancing troupe of froglets. Her character, Iggy is a smart, Latin-speaking froglet. She also has a part as a dancing fish and appears in the opening number as a Mandarin duck.

Katy has had a lot of fun rehearsing each week. She has worked hard. We look forward to seeing the musical this weekend, January 16 and 17.

Ryan

Ryan will be 5 years old in February. This past year, Ryan discovered Star Wars. We bought him a lightsaber a couple of months ago and he received a Star Wars lego set for Christmas.

One of the highlights of Ryan's year was learning to swim. Katy and Ryan took swim lessons in May and our family bought a portable pool. Ryan was swimming like a fish in no time. Ryan has also been learning how to read.

We also enjoy Ryan's imagination. Recently, he has been entertaining us with different video games, enacting them out in our living room.

Lydia

Our youngest is two years old. Although our nickname for her is "little," she has a big personality. She is very much a people person like her older sister and really likes to involve people in her activities.

She continues to add so much joy to our lives. She has a great sense of humor and loves to tease her daddy.

Anne and Jeff

We celebrated several different milestones in our lives this year. In May, we celebrated our 15th wedding anniversary. Jeff celebrated 15 years of being on staff with Campus Crusade for Christ this summer.

Anne's focus of ministry this year has been serving on the leadership team of our homeschool co-op. This has been a challenging and rewarding experience for her.
